

HOT TUB DUDE STEW™

— GAY EDITION

Mission: To stew, sip, and sparkle — where every bubble holds truth, chaos, and mild thirst.

■ ROUND 1: VIBES & BUBBLES

- Jet Check: No jets, no joy. Someone 's in charge of emotional turbulence control.
- Compliment Battle: Give a fabulously dramatic compliment to the guy on your left.
- Gay Agenda Roll Call: Confess one thing that furthers the Gay Agenda™ (e.g., made your straight friend moisturize).

■ ROUND 2: COCKTAILS & CONFESSIONS

- Create-a-Cocktail: Mix a drink that embodies your mood. Name it something absurd like ' Twink Lightning. '
- Steam Confessions: When jets go off, spill a secret — bonus if it 's chaotic or romantic.
- Diva DJ Rotation: Defend your song choice like you 're auditioning for RuPaul 's Untucked.

■ ROUND 3: THE GAYMES

- Thirst Rankings: Rank celebrities from 'respectfully no' to 'ruin my life.'
- Truth or Tub: Refuse to answer? Submerge dramatically while locking eyes with someone.
- Fantasy Casting: Recast a movie with all queer actors and act out a scene.

■ ROUND 4: DEEP STEW MOMENTS

- Bubble Therapy: One person vents, others respond with affirming gay noises (' Yaaaas, ' ' She did WHAT?! ').
- Manifestation Toast: Declare one chaotic but positive goal for your future self.
- Tub Affirmations: End by saying one thing you love about yourself and one thing about someone else in the tub.
